

How to Play

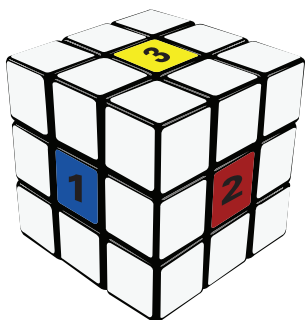

Wordchecker

Find as many 3 letter words as you can!

1/. Twist cube to mix up letters

2/. Each player has their own colour (middle square)

3/. Roll dice for your colour (middle square)

SCORING:

3 points for every word you find

5 points for every word you find with double letters

BEWARE!

If a word you find is not in the word-checker, you lose 7 points per word!

Player with the most points is the

winner!

Good Luck!

(In case of a tie roll dice to decide winner!)
